The Rev. Dr. James Antal

As President and General Minister of the Massachusetts Conference of the United Church of Christ, Jim Antal's passionate and inspiring leadership has energized many people and faith communities to act, by reminding us that the moral issues associated with climate change dwarf all others.

In 2007 he helped lead the Interfaith Climate Rescue Walk across Massachusetts, at the time the largest such walk in history. In conjunction with Bill McKibben, in 2008 he challenged 350 of Massachusetts' UCC congregations to ring their church bells 350 times to raise awareness around global warming.

Thank you for your environmental leadership.

Thomas E. Nutt-Powell
President

Signed on this twenty-eighth day of April, 2009.
